Brethren:

Lake Drummond Lodge No. 178 is holding our ninth Annual Golf Tournament on Wednesday, October 17, 2018 at 12:30 PM at Riverfront Golf Club in Suffolk, VA.

This fundraiser is the primary source of income for our Scholarship Fund. Lake Drummond awards scholarships to deserving high school seniors, the amount of funds raised will help ensure scholarships are available for future outstanding students. Lake Drummond Lodge cares deeply about our next generation. The eager young minds of tomorrow are our future and we must aide and assist them in every way possible. Charity is one of the most important aspects of Masonry and our Scholarship Fund allows us to contribute to the next generation of our local community.

My Brethren, we would love to see your participation by playing in the tournament. There are additional ways you can help support the golf tournament as well. They include various levels of sponsorship; beginning at \$100 through \$1000.00 and beyond. Further information is attached. In addition to sponsorships, donations for door prizes and raffles are sought after. If you are a business owner, patronize a store or restaurant, or know someone who would be interested, we encourage you to request a sponsorship or perhaps a door prize. All of this is extremely helpful and needed to put on the golf tournament. If every Brother of Lake Drummond Lodge, simply purchased a hole sponsor for \$100.00, our Scholarship fund would receive over \$25,000. Can you imagine??? Every little bit helps to make a difference.

The golf tournament will be open to all entries. The entry fee is \$300.00 per four-person team (\$75.00 per golfer), and will cover the green fees, a cart, goodie bag, raffle ticket and dinner afterwards.

Please contribute to this worthwhile Fundraiser, help support Lake Drummond Lodge and in turn the Community that we all live and love.

Contact Chris Turner at 757-876-2212 for further information or to register a team. Thank you for your support and I look forward to seeing you on the golf course.

Sincerely,

Jerry W. Snow
