About Freemasonry in Virginia

Freemasonry is the world's oldest and largest fraternal organization. It is open to men of 18 years old or older of any color, any religion, nationality or social standing who profess belief in a Supreme Being. Freemasonry (often simplified to "Masonry") enhances and strengthens the character of the individual man by providing opportunities for fellowship, charity, education, and leadership based on the three ancient Masonic tenets: brotherly love, relief and truth. The Grand Lodge of Virginia consists of over 300 subordinate Masonic Lodges and 34,000 members across the Commonwealth of Virginia.
